

## Buy a Brick Campaign

Aidspirit is grateful to Patti Helman and the MSUB United Way group for their enthusiasm and willingness to help with AIDSpirit projects. Recently Tom and Jean Jacques presented information to the group about the Tender Mercies Orphanage that is being built in Uganda. The MSUB students are going to have a "Buy A Brick" program to raise money for the building of the orphanage in January. They have issued a challenge to Rocky Mountain College Students to participate in the fundraising event. The group also made Christmas Cards for HIV/AIDS clients in our community at one of the meetings. The cards were awesome! Roger and Terry attended the meeting and Terry shared pictures from Uganda and left the building plans for the orphanage.

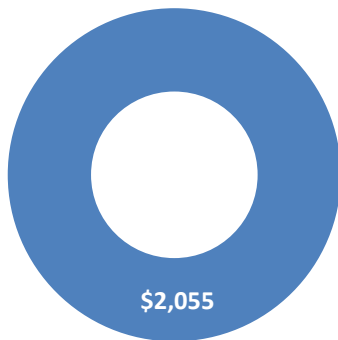

### January Update

Total donations this month: **\$2,055**

- St. Patrick's Church, Washington, IL – \$2,055

Total donations to-date: **\$2,055**
